Thanking Maine's First Lady

On Thursday, November 18, 2010, from 10-11:30 a.m., the Maine Dietetic Association will be hosting a coffee at the Blaine House in Augusta and all MDA members are invited. The purpose of the event is to offer tribute to First Lady Karen Baldacci for the numerous contributions she has made to improve the food and nutrition environment and the health of Maine citizens.

This event also is a great opportunity to meet key legislators and agency officials as MDA builds relationships with key stakeholders in Maine public policy on Health Care Reform to ensure the RD/DTR is included in legislation regarding nutrition.

Attendance is limited to 40 members, so please respond to Marcia Kyle, MDA's State Policy Representative at bkyle@roadrunner.com as soon as you receive this. Don't miss this important legislative event at the Blaine House and a chance to thank our First Lady.
