

Maine Dietetic Association Opportunities for Marketing on the Website or Newsletter

The Maine Dietetic Association web site <http://www.eatrightmaine.org> and our newsletter MDA News Briefs provide a unique venue for advertising your products or services. We foster advertising of products and services perceived of value to our association's nutrition practitioners. Our web site receives about 2,500 hits per month and our monthly newsletter is sent by email to 330 members and 150 non-members. The top two visited pages on the website are the Home Page, followed by the Job Posting Page. As more members access the Internet and utilize email, we predict our web visits will increase.

- A full size banner advertisement must be provided in the size of 468 x 60 pixels.

- The file size for the advertisement must be no larger than 20 KB.

Banner advertisements should be provided ready to post to the web site.

All advertising content, pictures, and illustrations must be approved by the Communications Committee prior to posting.

Ad locations and limitations

All banner and button ads are located toward the bottom of the web pages, so visitors do not ignore the advertiser with a quick scroll. For example, the ads on the Home Page will be located ~2/3 to 3/4 of way down the page, following the Association's Mission Statement.

Exclusive ads mean that no other advertisers will appear on that web page. The Maine Dietetic Association does not allow pop-up ads.

Advertisers who prepay for 6 or more months of advertising in a 12-month time period receive a 10% discount on that advertising rate.
